

## Every Service Includes:

- Change oil (up to 5 quarts)
- Install new oil filter (Wix Gold filter or AMSOIL nano-fiber filter)
- Lubricate chassis
- Check Air filter
- Check breather element & PCV valve
- Check/fill battery fluid
- Check/fill power steering fluid
- Check/fill windshield fluid
- Check/fill transmission or transaxle fluid
- Check radiator level & test coolant/condition
- Check/fill differential fluid
- Check windshield wiper blades
- Check and set tire pressure
- Wash exterior windows
- Check all exterior lights

**Fewer oil changes means less impact on the Earth.**

## Other Products Sold

- Oil Analysis
- Advanced Synthetic Motorcycle Oils
- Suspension Fluids
- Diesel Oils / Gear Lubes
- Transmission Fluid
- Two-Cycle Oils
- Hydraulic Oils
- Greases
- Compressor Oils
- High Performance Brake Fluids
- Dominator Synthetic Racing Oils
- Super Heavy Weight Racing Oil (for supercharged/alcohol-burning/nitro-burning requiring high viscosity)

## By-Pass Oil Filter Units For:

Dodge Cummins Diesels

Ford 7.3L Power Stroke Diesel

GM 6.6L Duramax Diesels

\*\*By-Pass oil filter systems remove particles one micron or larger, virtually eliminating engine wear.

save money ➤ save time ➤ save the environment

What could be better?

## Look at This

**NEVER** a disposal fee - your waste oil is recycled to heat our shop

**CONVENIENT** - We'll drop your vehicle off to you at your location when your car is ready!

**FREE** - With each oil change you will receive an 'eco 3 oil change' bumper decal that allows you to park in this lot during non-business hours.

**FREE LUNCH** - with each oil change 1 regular hot dog + drink + chips (@ The Downtown Dog)

## Quality Conventional

**3,000 miles/3 months**

- Helps improve gas mileage
- Helps reduce deposit formation
- Helps reduce oil consumption
- Helps provide anti-wear protection
- Meets or exceeds vehicle manufacturer's specifications

**\$34.95**  
up to 5 quarts

## Regular Synthetic

**7,500 miles / 6 months**

*Exceptional protection for 7,500 mile / 6 month oil change intervals (longer where indicated by vehicle manufacturer or electronic oil life monitoring system)*

### Plus...

- Excellent fuel economy
- Cold temperature fluidity
- Cooler operating temperature in hot weather
- Superior wear protection / increased power
- Provides peace of mind for owners of modern vehicles where drain intervals exceed conventional oil recommendations of 3,000 miles

**\$79.95**  
up to 5 quarts

## Premium Synthetic

**15,000 miles/1 year**

- Industry benchmark in lubrication technology
- Engineered with the world's finest synthetic base oils and high-performance additives
- Premium-grade synthetic motor oil that exceeds the requirements of modern high-performance engines
- Provides maximum wear protection on critical engine parts
- Maximizes fuel economy / reduces emissions
- Resists high-temperature break down that forms sludge and varnish / Increases power
- Flows better in cold temperatures
- Patented Nano-fiber oil filter that allows 15,000 Mile/1 yr extended drain interval

**\$129.95**  
up to 5 quarts

**"It's nice to know I'm using a product that is better for my car and the environment at the same time."**

-Christine Tager

\*\*\*\* NO CHARGE - To maintain your vehicle manufacturer warranty we recommend you come in for a complete vehicle inspection at 5,000 and 10,000 mile intervals
